## **FOR IMMEDIATE RELEASE**

*Pacific Care Collective Expands Food Access in Huntington Beach Through New Partnership with Community Action Partnership of Orange County (OC Food Bank)*

### **Huntington Beach, CA — December 2025**

Pacific Care Collective (PCC) is proud to announce a significant milestone in its mission to address food insecurity in Huntington Beach through a newly established partnership with Community Action Partnership of Orange County (OC Food Bank).

This week, Pacific Care Collective supported its first large-scale food distribution through the program, securing more than 200 pounds of nutritious food, including hundreds of canned goods. This initial distribution marks the launch of a reliable, weekly supply of food made available to local individuals and families experiencing food insecurity.

Through this partnership, Pacific Care Collective will enable consistent access to food weekly, strengthening local food support efforts and increasing stability for those served in the Huntington Beach community.

"This milestone reflects exactly why Pacific Care Collective exists," said Jeff Holcomb, spokesperson for Pacific Care Collective. "By working alongside strong community partners, we can expand access to essential resources and create dependable support systems for people who need them most."

Pacific Care Collective plans to build on this momentum by building additional partnerships that focus on scalable, community-centered solutions to care for the community in Huntington Beach.

### **About Pacific Care Collective**

*The purpose of Pacific Care Collective is to promote the well-being and flourishing of our neighbors. These purposes may be pursued through programs and activities including, but not limited to, providing charitable assistance, educational programs, and community support services.
